

Evidence of Insurance

Here are your Evidence of Liability Insurance Cards. Two cards have been provided for each vehicle insured. One card must be carried in the proper insured vehicle. Proof of insurance is required to register or renew the registration of your vehicle. A law enforcement officer can ask you to prove that you have liability insurance meeting the basic requirements of California law.

A violation of these requirements can result in a fine of up to:

\$1,000 for the first time

\$2,000 for additional times

Also, a judge can have your vehicle impounded. False proof of insurance may result in a fine up to \$750 and 30 days in prison.

Due to space limitations on the ID card, only the Named Insured and the Co-insured are listed. For a full list of drivers covered under this policy, please reference the Drivers section of your Declarations Page, which is included with your insurance packet.

If you would like additional ID cards you can go online to **geico.com** or call us at **1-800-841-3000**.
